

### Impression Taking competence course (correspondence)

Thank you for your enquiry regarding our Competency in Impression Taking course.

The cost of the course is **£110. (this is non refundable or transferable once course materials have been printed and sent)** - *Please note, if you do not live on UK mainland, there will be a £25 surcharge to cover postage costs.*

The course comes with full tutorial support by telephone, post and email & all course materials with portfolio to complete within a timescale of approximately 6-12 weeks. Start dates can be any date within the year, the course is a roll on roll off course, meaning that you are able to start this course at any time best suited to you throughout the year.

As this is a correspondence course, at no point will your assigned tutor come out to visit you at work.

The course consists of modules, case studies and assessments; this means there is no final exam at the end.

The duration of the course depends on each student as an individual; however, we aim to have you completed within 6-12 weeks of your start date.

Please find attached information regarding the course with enrolment pack.

To enrol on the course, please complete the enrolment pack & return to the address below along with the course fee. Course fees can be paid by BACS or cheque – see the enrollment form for details. On receipt of enrolment & course fee, we will then confirm your place on the course and the course materials will be sent out to you.
