

## **National Diploma in Dental Nursing**

Thank you for your enquiry with regards to the NEBDN National Diploma in Dental Nursing course.

The duration of the course is approximately 12 months given you / your Trainee Dental Nurse pass the Written Examination and the OSCE Examination.

**The course can be started at any time leading to EITHER:**

The written examination in November & OSCE in the following January OR

The written examination in April & OSCE in the following June (this is determined by the month you start)

As this is a correspondence course, at no point will the designated tutor come out to visit you / your employee at work. The Written and OSCE exam are completed online on the chosen dates, by NEBDN. **YOU WILL NEED USE OF A LAPTOP OF COMPUTER TO COMPLETE ALL ASPECTS OF THIS COURSE.**

The tutor will be available to contact 7 days per week from 9am until 9pm, learners should use the tutor for support, advice and guidance throughout the duration of the course to meet any needs although they will not put any learners under pressure. All tutors are contactable via email, telephone, text message and also post.

The cost of the **course and first sitting of the Examination is £2200**– This fee includes, examination fees first Written and OSCE Exam sitting only, learning/course material and full tutorial support - *Please note, if you do not live on UK mainland, there will be a £25 surcharge to cover postage costs.*

Please find attached an enrolment form which will provide you with further details for the course. If you wish to enrol or enrol your employee, please complete the attached enrolment form and return to the address below along with full payment payable in full via bacs or cheque as stated on the enrolment form.

Once enrolment is complete the Trainee Nurse / you will then be confirmed on the course and we will be able to provide you with confirmation should you need it for any Care Quality Commission inspection (upon request).

Please don't hesitate to contact me if you require any further information.
