

Certificate in Oral Health Education

Thank you for your enquiry with regards to our NEBDN accredited Certificate in Oral Health Education course.

The course runs twice yearly:

-January leading to the September exam (9 months) &

-June leading to the March exam (9 months)

As this is a correspondence course, at no point will the designated tutor come out to visit the workplace. The exam is sat online on the chosen dates by NEBDN. **YOU WILL NEED USE OF A LAPTOP OR COMPUTER TO COMPLETE ALL ASPECTS OF THIS COURSE.**

The tutor will be available for all candidates to contact 7 days per week from 9am until 9pm, they should be contacted for support, advice and guidance throughout the duration of the course to meet any needs although they will not put any candidate under pressure. All tutors are contactable via email, telephone, text message and also post.

Please note the Record Of Competence **must** be completed within the first 12 weeks of the course with the date stated on the calendar of dates to enable candidates to sit the examination. **Please see the enrolment form for more information on what criteria must be covered in the ROC.**

The course cost is £900; This fee includes the RoC, examination cost, all learning materials and full tutorial support *Please note, if candidates do not live on UK mainland, there will be a £25 surcharge to cover postage costs.*

Please find attached an enrolment form which will provide you with further detail for the course requirements. If you or your employee wishes to enrol, please fully complete the enrolment form attached and return to the address below or scan and return in order along with full payment.

Upon receipt of the enrolment form as well as full course fee we will confirm placement on the course and the course materials will be sent to the work address on the start date unless otherwise specified.

If you require any further information, please don't hesitate to contact me.
